This is our Club Newsletter although it looks like a Club guide of do's and don't do's at present. But this is good and reliable information for us as a club as well as other RBLs Branch Clubs around Scotland. Obviously this Newsletter will have changes, with different articles in it, depending on what crops up throughout the year.

Our bar and drinks advert, or what should we drink this week?

Our main supplier is Heineken UK which of course used to be Scottish & Newcastle Breweries Ltd.

Our bar staff are hard working people so when you see them give them a smile to cheer them up and make their job worthwhile.

They do the best they can but sometimes it's a hard life. Don't we know it

ARBROATH BRANCH & CLUB NEWS

THE ROYAL BRITISH LEGION SCOTLAND

14TH JULY 2011

the minimum wage rise we had in October 2010. We are facing more problems now than ever with utility bills set to rise as well, is there no end in sight.

We are doing our best to keep the Saturday night dances with the bands you like to come and hear but now even that is not keeping in profit. The members do not seem to want to use Green St when we have a major function on which has to use Helen St, so at our last Club Committee meeting we decided to stop Saturday night bands in Green St.

However, if we have to use the Helen St main hall the Saturday night dancing will be stopped for that function.

Club Chairman

Report for the first half of the year.

Since our last newsletter in December we have had a hard time with this recession and facing up to the tasks ahead of us. If it is not the 20% VAT it's the price increases which followed not forgetting

To make things worse at the last Branch Trustees meeting they passed on a message stating that the Club cannot sustain any more losses with the Saturday night dances and if things do not pick up within the next month or two then the Club has to axe either one or two Saturday dances a month, or start putting on other types of entertainments which will benefit all our members in different age groups.

New members are always welcome at the Helen Street premises where they can be guaranteed a warm welcome in relaxed and modern surroundings. Although we have an active group of members we always hope to attract new members to the Legion in 2011.

So if you are interested details and membership forms can be found at www.arbroathbranchrbls.org.uk.

For any other enquiries about using the Legion or to organise a function please e-mail or call the Clubrooms Chairman, Mike Fletcher or the Club Manager, Scott Berrie, on 01241 873964

Guests of Members

This is a gentle reminder to let you all know that all guests of members will be signed in with no exceptions.

We have regular visits from the Angus Licensing Boards officers and we all need to tighten the signing in of non member guests up. This is to comply with the Licensing (Scotland) (Clubs) Regulations 2007 and to also comply with the Angus Licensing Boards Local Conditions. So please all remember to use the visitors book when required at all times. You will not be able to buy your guest/visitor a drink if they are not signed in. Thanking you all for your co-operation.

The Royal British Legion Scotland celebrates its 90th Anniversary during the year 2011. The Royal British Legion Scotland will be launching a series of events to mark the 90th Anniversary of the forming of The Royal British Legion Scotland in 1921.

There will be events happening all over Scotland to help celebrate this event.

We helped celebrate Armed Forces Day in Edinburgh which was a massive success for everyone including the RBLs, pity our members could not show support and use our free bus for that day out. Next up will be a big display of the RBLs at the Edinburgh Military Tattoo on the 12th August.

RBLs RECRUITMENT MEDAL

Yes the first two RBLs Members to receive these medals was two members of the Arbroath Branch Club. Not only of the Branch but the first two in Scotland.

Well done to Mr Neville Mundy and Mr Keith Baldry

More Jokes folks, well we need a laugh
